WHO WE ARE

A Saudi trade partner built for East Africa.

SACT International Trading Company is a 100% Saudi-owned company based in Riyadh. Founded in 2014, the company combines product knowledge, regional market experience, and dependable service to support customers across East Africa and IGAD markets.

CORE FOCUS

Commercial capability, delivered.

We specialize in exporting polymers while continuously diversifying the product portfolio to meet evolving market requirements. Our team brings a strong understanding of the commercial needs of Ethiopia, Djibouti, and the wider East African market.

OUR COMMITMENT

Quality products from reputable suppliers, backed by responsive service and reliable order handling.

REGIONAL EXPERIENCE

Built through long-term market relationships.

SACT has developed operational knowledge and trusted customer relationships through years of active engagement in Ethiopia, Djibouti, and the wider East African region.

Key milestones

- 2014** **Established in Riyadh**
 Founded under the former name DERIYH AL-DIRIYA COMMERCIAL SERVICES OFFICE and began actively exporting to Ethiopia and Djibouti.
- 2017** **SACT International Trading Company**
 The company transitioned to its current name, strengthening the identity used across the regional market.
- 2022** **Djibouti Free Zone warehouse**
 A licensed warehouse was acquired in October 2022, enabling full-scale operation of the Djibouti branch.
- Today** **Growing regional presence**
 A continued focus on customer service, product diversification, and market access across East Africa and IGAD countries.

WHAT MATTERS

Trusted relationships. Local knowledge.

REGIONAL COMMERCIAL CORRIDOR

A connected operating model linking Saudi supply with market reach in the Horn of Africa.

WHAT WE DO

Practical support across the trade cycle.

SACT combines sourcing, trade execution, logistics coordination, and market insight to give partners a reliable path from product selection to customer delivery.

1 Import & Export

Import and export of polymers and other products, tailored to East African market requirements.

2 Product Sourcing

Supplier-network access to high-quality products aligned with international standards.

3 Logistics & Distribution

Coordination to support timely transport, warehousing, delivery, and appropriate order condition.

4 Market Research

Commercial market insight and analysis to support more informed decision-making.

5 Portfolio Diversification

Ongoing exploration of food, construction materials, and additional product opportunities.

SUPPLY PARTNERS FOR SUCCESS.

Quality grades, informed sourcing, dependable follow-through.

Through strategic relationships with industry leaders such as SABIC and TASNEE, SACT is positioned to fulfill polymer requirements with a range of high-quality grades.

STRATEGIC INDUSTRY RELATIONSHIPS

Recognized supply relationships.

A focused route to polymer grades supported by established industry names.

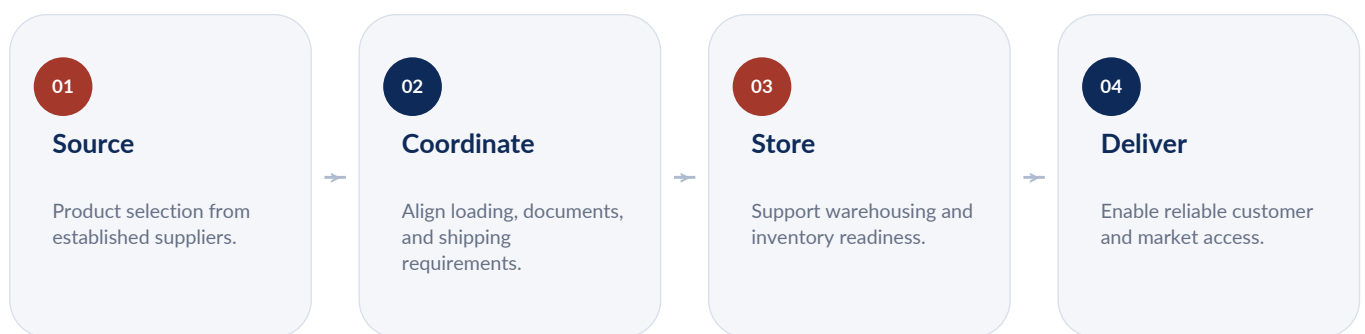

Polymer supply network

TASNEE

High-quality grades

TRADE PATHWAY

A clear route from source to market.

PORTFOLIO EVOLUTION

Beyond polymers: food, construction materials, and more.

SACT continuously evaluates additional product categories to respond to changing market needs.

DJIBOUTI FREE ZONE

A gateway for East African growth.

SACT launched its Djibouti Free Zone branch as a major regional milestone. A licensed warehouse acquired in October 2022 enables full-scale operations and supports growing demand from Saudi companies serving the region.

WAREHOUSE OPERATION

Built around disciplined warehouse control.

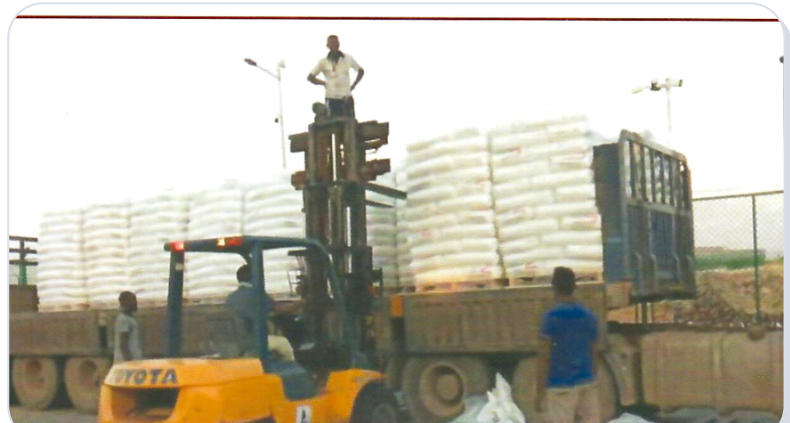

Core activities are designed to maintain product condition, safety, and operational continuity.

- Receive & record
- Assign locations
- Label & check inventory
- Pick, pack & dispatch
- Maintain & improve

LICENSED WAREHOUSING

Storage readiness and inventory discipline.

LOGISTICS COORDINATION

Shipping partners aligned to supplier and customer requirements.

EXECUTION PRINCIPLE

Transport, warehousing, delivery, and documentation are coordinated around the needs and agreements of all parties.

LEADERSHIP

Experienced people. Clear accountability.

SACT is led by a focused team supporting commercial relationships, export operations, and financial oversight.
