Why choose SCC Faucets?

RESILIENCE

We assure you that our faucets can withstand multiple uses without degradation of quality.

BRASS CASTING

Our faucets are brass casted which is superior to other materials like zinc and stainless steel. They're known for being dense and sturdy, and for lasting a long time.

10 YEAR WARRANTY

Our faucets have a warranty of 10 years for the brass mixer body.

SASO WARRANTY

Our faucets comply to Saudi Standards.

EFFICIENT

Our faucets are water efficient and engineered to provide a seamless flow that enables ease of use.

EASY TO INSTALL

Our faucets are easy to install with supplied manuals for professionals and DIY enthusiasts alike.

COST FRIENDLY

Our faucets are priced competitively without compromise.

DESIGN

Wide selection of models and designs that will satisfy your taste.

ستارك STARK

خطوط ناعمة ومشقة تضفي الروعة على
الجودة والمتانة.

*Smooth and bright outlines that arks magnificence
in quality and durability with time and function.*
