ARGENTO

Argento evokes a soft mineral character shaped by gentle tonal shifts and a lightly textured surface that feels almost sculpted. The restrained palette creates a quiet visual presence, allowing the material to complement its surroundings while still maintaining a distinct and refined identity.

Rather than relying on contrast, Argento builds its appeal through subtle depth and controlled variation, creating a surface that feels composed and intentional. The material introduces a refined architectural calm, offering flexibility in both vertical and horizontal applications while supporting clean, contemporary design directions.

يعتمد بورسلان أرجينتو في جماله على العمق الهادئ والتدرج المدروس بدءًا من التباين الحاد. ليقدّم سطحًا متوازنًا يعكس دقة التصميم. هذا الطابع يضيف هدوءًا معماريًا راقيًا ويوفر مرونة في الاستخدام على الجدران والأرضيات، مع دعم التوجهات الحديثة بأسلوب واضح ومتناغم.

ARMANI MARBLE

Armani Marble reflects a refined sense of luxury through its warm beige tone and softly defined veining. The surface carries a composed elegance, where subtle details create a sophisticated look that feels both timeless and effortlessly graceful.

TECHNICAL SPECIFICATIONS

SURFACE CODE : 111150608221013

Product Name	Product Category	Surface Finish	Edge Type	Application Areas	No. of Faces
Armani Marble	Porcelain Tiles	Matt Polish	Rectified	Floor & Wall	6

Rather than relying on bold contrasts, Armani Marble expresses its character through balance and controlled detailing, offering a surface that feels curated and harmonious. Its architectural versatility allows it to transition smoothly across walls and floors, supporting high-end residential and hospitality interiors with a polished and elegant identity.

يعتمد بورسلان أرمانى ماربيل في تميزه على التوازن ودقة التفاصيل بدلاً من التباين القوي. ليقدّم سطحًا يعكس تناغمًا مدروسًا وأناقة محسوبة. يمنحه هذا الطابع مرونة في الاستخدام على الجدران والأرضيات. لينسجم مع المساحات السكنية الفاخرة والمشاريع الراقية بأسلوب أنيق ومتوازن.

STATUARIO

Statuario expresses the purity of white marble through its crisp surface and refined grey veining, creating a clean and sophisticated visual identity. Its balanced appearance brings a sense of clarity and elegance that elevates modern interior compositions.

TECHNICAL SPECIFICATIONS

SURFACE CODE : 111149998221016

Product Name	Product Category	Surface Finish	Edge Type	Application Areas	No. of Faces
Statuario	Porcelain Tiles	Matt-DRP	Rectified	Floor & Wall	6

Characterized by its elongated veining and harmonious composition, Statuario introduces a subtle linear movement that enhances spatial continuity. Its refined architectural presence makes it a versatile surface suitable for both walls and floors within cohesive design environments..

يتميز بورسلان ستاتuario بعروق ممتدة وتكوين متوازن يضيف حركة خطية ناعمة تعزز استمرارية المساحة بصرياً. هذا الطابع المعماري الراقي يمنحه مرونة في الاستخدام على الجدران والأرضيات، ليقدّم حلولاً متكاملة ضمن تصاميم متناعمة.

NERO MARQUINA

Nero Marquina reveals the intensity of black marble through its deep tone and sharp white veining, creating a bold and luxurious visual statement. Its rich contrast brings a sense of sophistication and refined elegance to contemporary spaces..

TECHNICAL SPECIFICATIONS

SURFACE CODE : 111149988221016

Product Name	Product Category	Surface Finish	Edge Type	Application Areas	No. of Faces
Nero Marquina	Porcelain Tiles	Matt-DRP	Rectified	Floor & Wall	6

Defined by its striking linear veining and cohesive composition, Nero Marquina introduces dynamic movement across a dark surface while maintaining a strong architectural identity. Its versatility allows seamless integration across walls and floors, enhancing bold and modern design concepts.

يتميز بـنورسلان نـيرو ماركينا بعروق خطية بارزة وتكوين متماسك يضفي حركة واضحة فوق سطح داكن مع الحفاظ على طابع معماري قوي. هذا التوازن يمنحه مرونة في الاستخدام على الجدران والأرضيات. ليعزز التصميم الجريئة ويمنحها حضوراً بصرياً مميزاً.

BRISBANE STONE LIGHT

Brisbane Stone Light reflects the softness of natural stone through its light grey tone and fine, cloud-like texture. The surface delivers a calm and minimal aesthetic that brings a sense of clarity and quiet elegance to modern interiors.

With its subtle tonal variation and smooth composition, Brisbane Stone Light introduces a gentle visual flow that enhances spatial harmony. Its refined architectural character allows seamless use across walls and floors, supporting clean and contemporary design concepts.

يتميز بورسلان بريسيان ستون لايت بتدرجات لونية خفيفة وتكوين ناعم يخلق تدفقاً بصرياً هادئاً يعزز انسجام المساحة. هذا الطابع المعماري يمنحه مرونة في الاستخدام على الجدران والأرضيات، ليتكامل مع التصاميم العصرية بأسلوب أنيق ومتوازن.

SURFACE CODE : 111147548221016

Product Name	Product Category	Surface Finish	Edge Type	Application Areas	No. of Faces
Brisbane Stone Grey	Porcelain Tiles	Matt-DRP	Rectified	Floor & Wall	4

Characterized by its layered composition and natural surface transitions, Brisbane Stone Grey introduces a subtle sense of movement that enhances spatial continuity. The consistent tone supports a unified visual flow, while the fine texture adds depth and interest to the overall design. Its architectural versatility allows it to integrate seamlessly across walls and floors, adapting effortlessly to both residential and commercial environments.

يتميز بورسلان بريسبان ستون جري بتكوين متدرج وملمس طبيعي يمنح السطح حركة بصرية ناعمة تعزز نرايط المساحات. يساهم اللون المتجانس في خلق تدفق بصري موحد. بينما تضيف التفاصيل الدقيقة عمقا بئري التصميم العام. هذا الطابع المعماري يمنحه مرونة في الاستخدام على الجدران والأرضيات. ليتناسب بسلاسة مع المشاريع السكنية والتجارية.

TRAVERTINO CREAM

Travertino Cream brings a warm, sun-washed character inspired by natural stone formations shaped over time. Its soft cream tone and gentle vertical textures create a comforting visual presence that feels inviting, relaxed, and effortlessly elegant.

Rather than standing out through contrast, Travertino Cream builds its identity through warmth and subtle variation, offering a surface that feels calm and naturally grounded. Its adaptable nature allows it to complement both walls and floors, enhancing spaces with a soft, continuous flow suited for serene residential and hospitality settings.

يعتمد بورسلان ترافرتينو كريم في تميزه على الدفء والتدرج الهادئ بدلًا من التباين. ليقدم سطحًا متوازنًا يعكس طابعًا طبيعيًا مريحًا حيث يتيح هذا التصميم في استخدامه إلى انسيابية على الجدران والأرضيات. لتضفي على المساحات إحساسًا بالانسجام والهدوء المناسب للمنازل الراقية والمساحات الفندقية.

CALACATTA GOLD

Defined by its luminous white background and refined golden veining, Calacatta Gold embodies a refined expression of classic marble luxury. The gentle flow of warm veins across the surface creates a balanced visual rhythm, delivering elegance that feels both timeless and effortlessly sophisticated.

Used on walls, Calacatta Gold with a glossy polished finish amplifies light reflection and highlights the richness of its golden veining. The polished surface enhances spatial brightness, making it an ideal choice for wall designs that seek a luxurious statement with a sense of openness and refinement.

يبرز السطح اللامع ليورسلان كالاكاتا جولد عمق العروق الذهبية ويعزز انعكاس الضوء داخل المساحة. مما يضيف إشراقاً بصرياً وأناقة واضحة على الجدران. ويجعل هذا التصميم خياراً مثالياً للمساحات التي تبحث عن لمسة فاخرة تعبر عن الفخامة العصرية بروح كلاسيكية متجددة.

Carrara	Porcelain Tiles	Polished	Rectified	Floor & Wall	4

CALACATTA WHITE

Calacatta White makes a bold statement through its expansive grey veining set against a pristine white base. Inspired by iconic Italian marble, it delivers a striking visual identity that elevates spaces with architectural presence and refined luxury.

TECHNICAL SPECIFICATIONS

SURFACE CODE : 111145578221013

Product Name	Product Category	Surface Finish	Edge Type	Application Areas	No. of Faces
Calacatta White	Porcelain Tiles	Polished	Rectified	Floor & Wall	5

When applied on walls, Calacatta White transforms vertical surfaces into expressive design features. The dramatic veins flow like natural artwork, adding movement, height, and a sense of grandeur that defines premium interiors.

عند تركيب بورسلان كالاكاتا وايت على الجدران ، يتحول إلى عنصر تصميم رئيسي يلفت الأنظار حيث أن حركة العروق الجريئة تشبه لوحة فنية طبيعية. تضيف إحساسًا بالارتفاع والهيبة وتبرز فخامة المكان بأسلوب عصري أنيق.

PIETRA GREY

Pietra Grey expresses a bold interpretation of natural marble, defined by deep grey tones and fine contrasting veining. Its rich character delivers a sense of depth and exclusivity, making it a statement choice for high-end interiors.

TECHNICAL SPECIFICATIONS

SURFACE CODE : 111145588221013

Product Name	Product Category	Surface Finish	Edge Type	Application Areas	No. of Faces
Pietra Grey	Porcelain Tiles	Polished	Rectified	Floor & Wall	4

When used on floors, Pietra Grey with a glossy polished finish creates a powerful and luxurious foundation. The reflective surface enhances depth and movement, while the rich grey tone adds elegance and a sense of prestige to high-end interior spaces.

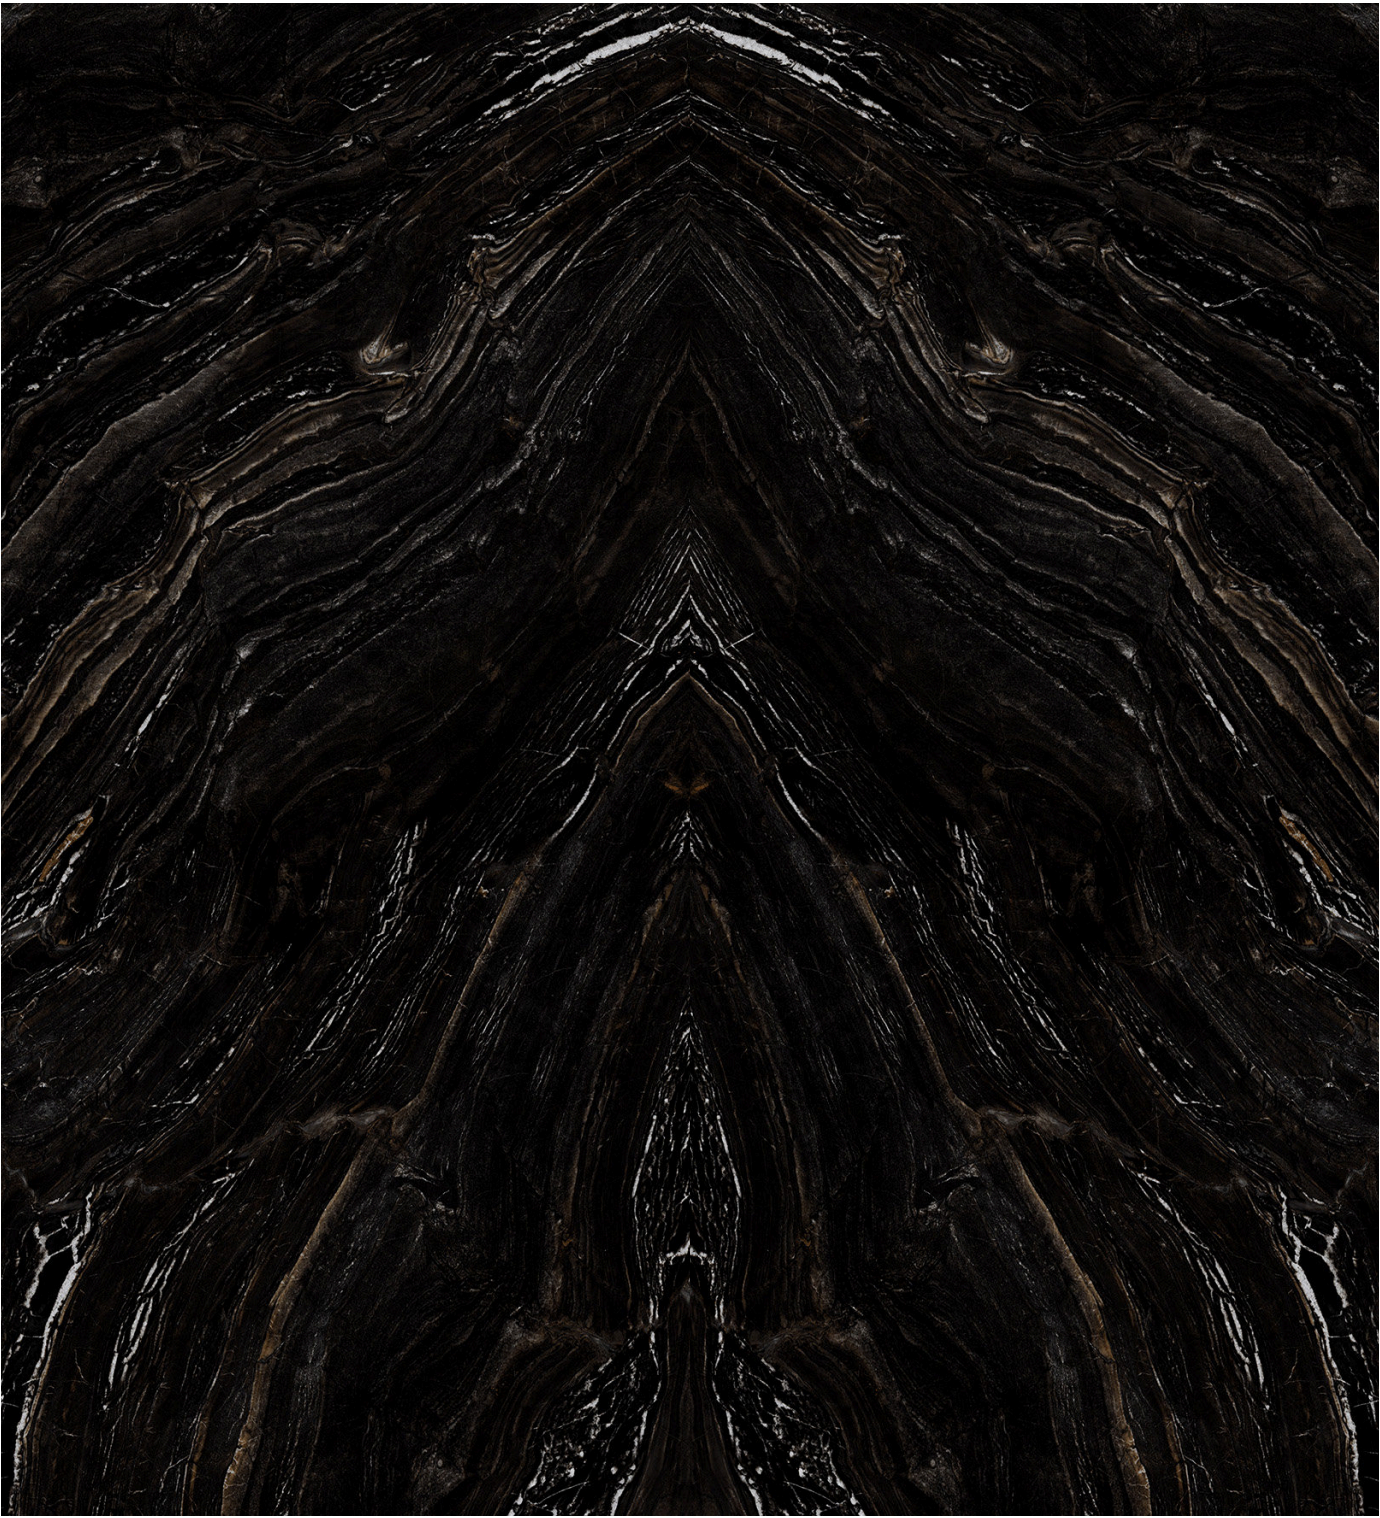

يمنح سطح بورسلان بيترا جري اللامع عند استخدامه في الأرضيات إحساساً بالفخامة والقوة البصرية حيث إن الانعكاس يعزز العمق وحركة العروق، بينما يضيف اللون الرمادي الداكن طابعاً راقياً وهيبه واضحة للمساحات الفاخرة.

BLACK FOREST MARBLE

BOOK MATCH

Black Forest Marble introduces a bold and dramatic visual narrative, where deep black tones flow with striking organic veins to create a powerful sense of movement across the surface, forming a composition that feels dynamic, expressive, and unmistakably distinctive.

TECHNICAL SPECIFICATIONS

SURFACE CODE : (R) 111145528221013 - (L) 111145538221013

Product Name	Product Category	Surface Finish	Edge Type	Application Areas	No. of Faces
Black Forest Marble	Porcelain Tiles	Polished	Rectified	Floor & Wall	Book Match

When arranged in a bookmatch layout, the design transforms into a symmetrical masterpiece, where mirrored veins align to create a striking visual centerpiece that elevates the entire space with a sense of luxury, depth, and artistic refinement.

عند تطبيق نظام Bookmatch، يتحول بورسلان بلاك فورست ماربيل إلى لوحة فنية متكاملة، حيث تتقابل العروق بشكل متناظر لتشكل تكوين بصري فخم ويتشكل كعنصر رئيسي في المكان، ويمنحه إحساس عالي من الفخامة والتميز بطابع أقرب للعمل الفني.

CALACATTA

BOOK MATCH

Calacatta reveals a refined and luminous surface where soft white tones blend seamlessly with gentle grey and warm beige veining, creating a balanced composition that feels calm, elegant, and naturally sophisticated without ever appearing overstated.

SURFACE CODE : 111146738211016

Product Name	Product Category	Surface Finish	Edge Type	Application Areas	No. of Faces
Rustic Stone	Porcelain Tiles	Matt	Rectified	Floor & Wall	4

With its matt finish, Rustic Stone reveals a deeper, more tactile dimension—where light is absorbed softly across the surface, enhancing the material's natural presence with a refined and understated elegance.

يكشف بورسلان روستيك ستون بسطحه المطفى عن بعداً أكثر عمقاً ولمساً واضحاً، حيث تنكسر الإضاءة بهدوء على السطح لتعزز حضوراً بإحساس راقٍ يجمع بين البساطة والفخامة.

CALACATTA GOLD

Calacatta Gold presents a luminous marble composition, where a pure white base is enriched with flowing veins of soft grey intertwined with warm golden accents, creating a balanced and elegant visual rhythm.

TECHNICAL SPECIFICATIONS

SURFACE CODE : 111145278211013

Product Name	Product Category	Surface Finish	Edge Type	Application Areas	No. of Faces
Calacatta Gold	Porcelain Tiles	Polished	Rectified	Floor & Wall	5

The polished surface highlights the depth and fluidity of the veining, allowing the pattern to unfold seamlessly across the slab, delivering a refined expression of timeless luxury.

يبرز السطح اللامع ليورسلان كالاكاتا جولد عمق وإنسيابية العروق. لتظهر التفاصيل بشكل متصل غير كامل التصميم، مما يمنح إحساساً راقياً يعكس فخامة كلاسيكية دائمة.

CALACATTA ORO

Calacatta Oro expresses a refined marble identity, where a luminous white base is crossed by soft grey veins enriched with subtle golden touches, creating a graceful and distinguished visual flow.

TECHNICAL SPECIFICATIONS

SURFACE CODE : 111143578211013

Product Name	Product Category	Surface Finish	Edge Type	Application Areas	No. of Faces
Calacatta Oro	Porcelain Tiles	Matt	Rectified	Floor & Wall	5

The polished finish enhances the clarity of every vein, allowing the pattern to extend smoothly across the surface, delivering a sophisticated and continuous look that embodies quiet luxury.

يمنح بورسلان كالاكاتا أورو ذو السطح اللامع وضوحاً في كل تفصيلة، مما يسمح للعروق بالإمتداد بانسيابية عبر سطحه، ليقدّم مظهراً متصلاً يعكس فخامة هادئة وأناقة متوازنة.

BOTTICINO CLASSICO

Botticino Classico reveals a soft, luminous marble character, where warm creamy tones blend with delicate veining to create a refined and timeless visual harmony across large surfaces.

The polished surface enhances depth and clarity, allowing the gentle movement of the pattern to flow seamlessly, delivering an elegant, continuous expression that feels sophisticated and naturally luxurious.

يعزز بورسلان بوتيتشينو كلاسيكو السطح اللامع عمق التفاصيل ونقائنها، مما يسمح لحركة العروق بالامتداد بسلاسة، ليقدّم مظهرًا منسجمًا وأنيقًا يعكس فخامة طبيعية وإحسانًا راقيًا.

Botticino Classico	Porcelain Tiles	Polished	Rectified	Floor & Wall	8

CREMA MARFIL

Crema Marfil reveals a warm, creamy marble interpretation where softness takes the lead. Subtle tonal variations blend seamlessly, while faint, organic veining gently drifts across the surface, creating a calm and welcoming visual flow.

TECHNICAL SPECIFICATIONS

SURFACE CODE : 111143628211013

Product Name	Product Category	Surface Finish	Edge Type	Application Areas	No. of Faces
Crema Marfil	Porcelain Tiles	Polished	Rectified	Floor & Wall	5

Its polished surface enhances the natural warmth of the design, reflecting light with a soft glow rather than sharp brilliance. Ideal for serene interiors, it brings a sense of comfort and understated luxury to both residential and hospitality spaces.

يتمتع بورسلان كريما مارفيل ذو السطح اللامع بدفء اللون الطبيعي، حيث ينعكس الضوء بشكل ناعم يمنح إحساساً بالهدوء والرفق دون مبالغة، مما يجعله خياراً مثالياً للمساحات الهادئة التي تبحث عن الفخامة.

CARNICO LIGHT

Carnico Light embodies a refined, luminous marble aesthetic where delicate veining dissolves into a soft, cloudy backdrop. The pattern feels almost weightless, with gentle tonal shifts that create a quiet sense of movement across the surface.

TECHNICAL SPECIFICATIONS

SURFACE CODE : 111143618211013

Product Name	Product Category	Surface Finish	Edge Type	Application Areas	No. of Faces
Carnico Light	Porcelain Tiles	Polished	Rectified	Floor & Wall	8

Its polished finish highlights the subtle complexity of the design, reflecting light in a smooth, diffused manner. Perfect for bright, open interiors, it enhances spatial clarity while maintaining a calm and understated elegance.

يعكس السطح اللامع ليورسلان كارنيكو لايت التفاصيل الدقيقة بشكل ناعم ومتوازن. حيث ينتشر الضوء بانسيابية لتعزيز الإحساس بالإنساع والهدوء، مما يجعله خياراً مثالياً للمساحات ذات الطابع العصري الأنيق.

CARNICO GREY

Carnico Grey reveals a soft, atmospheric texture where subtle tonal variations blend seamlessly with fine, mist-like veins. The surface carries a natural fluidity, creating a calm visual depth that feels continuous and organic across every slab.

The polished finish enhances the smooth transitions within the design, allowing light to glide gently across the surface. Its understated character makes it ideal for creating serene, modern spaces that rely on texture rather than contrast.

بورسلان كارنيكو جراي مع سطحه اللامع يمنح نعومة الانتقالات بين التفاصيل، حيث ينساب الضوء برفق فوق التصميم، مما يجعله خياراً مثالياً للمساحات العصرية الهادئة التي تعتمد على نراء الملمس أكثر من حدة التباين.

ARMANI BEIGE

Softly composed and effortlessly refined, Armani Beige reveals a quiet sophistication through its delicate veining and warm neutral base, where subtle tonal shifts move gently across the surface, creating a calm and cohesive visual language.

Armani Beige expresses a refined sense of calm in design, offering a soft beige surface that flows through the space without dominating it. Its understated presence allows surrounding materials to stand out while maintaining a cohesive and elegant visual harmony across the interior.

بورسلان أرمانبيج يعكس فلسفة الهدوء المدروس في التصميم، حيث يقدم سطحاً متوازناً بلون بيج ناعم ينساب داخل المساحة دون أن يفرض نفسه. هذا الحضور الهادئ يمنح العناصر المحيطة فرصة للظهور بوضوح أكبر، مع الحفاظ على انسجام بصري أنيق يربط كل التفاصيل في مشهد واحد متناغم وراقي.

CEMENTO

Reduced to its purest expression, Cimento captures the essence of minimal architecture through a smooth, uninterrupted surface, where tone and texture merge into a quiet, almost monolithic presence.

Porcelain Cimento functions as a subtle architectural backdrop rather than a visual statement, shaping the space with a sense of openness and flow while allowing surrounding elements to express contrast and detail. Porcelain Cimento's neutral presence brings balance and stability to the composition, reflecting a refined simplicity and continuous visual elegance.

بورسلان سمنتو يقدم نفسه كخلفية معمارية هادئة تبنى عليها تفاصيل التصميم دون ضجيج بصري، حيث يخلق إحساساً بالإنسجام والإنسيابية ويمنح العناصر المحيطة حرية الظهور والتباين. هذا الحضور المحايد لا يلفت الانتباه بقدر ما يوازن المشهد ويمنحه إستقراراً بصرياً راقياً يعكس بساطة مدروسة وأناقة مستمرة.
